[REDACTED]
Chairman, Intelligence Working Group
Central Intelligence Agency
Washington 25, D. C.

Dear [REDACTED] 25X1A9a

Mr. Edward Ames, who is my alternate as Federal Reserve representative on the EIC, has shown me your letter of June 3, requesting his participation in the Subgroup on External Financial Operations of the Intelligence Working Group. We note that this work would be in connection with his work as Chairman of the working group on the Soviet bloc balance of payments of the EIC Subcommittee on Trade and Finance. In view of the desirability of coordinating the work of the EIC working group with the IWG subgroup, I agree with you that his membership on the subgroup should be useful. This letter is to inform you therefore, that Mr. Ames will be able to participate, as requested, in the work of the subgroup.

Very truly yours,

Lewis N. Dembitz
